

## Joint Schools Graduation Ceremony of the Society of Boys' Centres 香港扶幼會聯校畢業典禮

Our CEO Mr Charles W D Chan was invited to be the Guest of Honour for the joint graduation ceremony of the three schools under the Society of Boys' Centres ("the Society"). The ceremony was held on 7 July 2010. Charles gave an address to the students, encouraging them to continuously improve themselves and work hard to pursue their future and dreams. Our Director and Consultant of the Society, Ms Pammy Fung, also attended the ceremony and presented awards to students at the schools.

The Society of Boys' Centres is the main beneficiary of a Scholarship & Development Fund set up by us. The Fund aims to sponsor students and teaching staff of the Society participating in overseas exchanges, and professional development programs that help widen their horizons and serve people in need. Until now, the Fund has sponsored hundreds of students, teaching staff and social workers of the society in different programs. 📌
